"Life in our Times"

Our sermon series takes the form of a simulated First Century news broadcast. In an attempt to understand the growing religious phenomena called Christianity, it will provide first person accounts by some lesser known figures. You will meet Jason, Aquila and Priscilla, Apollos, Aristarchus and Eutychus and hear their fascinating first person stories. Through their eyes we will hear graphic accounts of events in which they shared and hear their observations about the life and vitality of the Christian faith.

With a little help from our imaginations we will gain an impression of what it was like to meet and experience life with the Apostle Paul. The series will run from July 7th. through August 4th.
